MESSAGE

I am glad to learn that Natraj Youth Cultural Organization (NYCO) is Celebrating the 150th Birth Anniversary of Mahatma Gandhi on 20 October 2019 at Radha Krishna Temple, Scarborough, Ontario.

I understand that this Art exhibition depicts Mahatma Gandhi's philosophy of Ahimsa (non-violence) and his influence in promoting international friendship, peace and understanding.

I appreciate this initiative taken by NYCO for promotion and projection of the rich cultural, social and philosophical traditions of India and its values of unity in diversity and the spirit of peace and tolerance.

I extend my warmest greetings and convey my best wishes to the entire team of NYCO and their family members and friends of India.
